Guidelines for Read 50!

How long should I read?

- Read for at least 15-20 minutes. Each day you read, color a book on the chart. If you read more than 15 minutes, that is awesome! Still only color ONE book.
- The purpose of Read 50! is to have students maintain reading progress by reading consistently throughout the summer.

What can I read?

- Whatever you want! Books, e-books, magazines, graphic novels, listen to Audible books etc... These are all acceptable for summer reading. Students can read on their own or be read to.

Why should I Read 50?

- *Students who don't read over the summer can lose up to three months of reading progress and that loss has a cumulative, long term effect.*
- Students who return this completed form to school in September will be recognized during a Panther Pride Assembly, receive extra recess and be eligible for a free book.

**Read 50! Forms must be returned to classroom teachers by Friday,
September 6, 2019.**
